

Dr. Kim > Hires

**Leadership
Alignment
Coach**

Dr. Kim breaks through the professional armor that holds leaders back and weighs them down. Within the first 90 seconds she finds the human behind the armor, grabs them by the hand and takes them through moments that will never leave them the same. Story-teller, strategist and coach, she balances vulnerability with strength causing audiences to feel aware and inspired but most of all empowered.

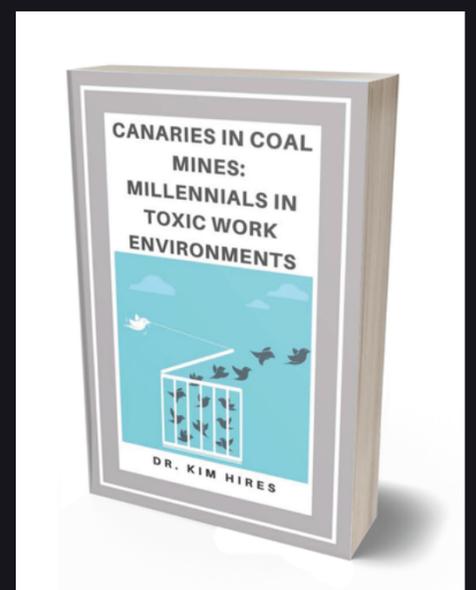

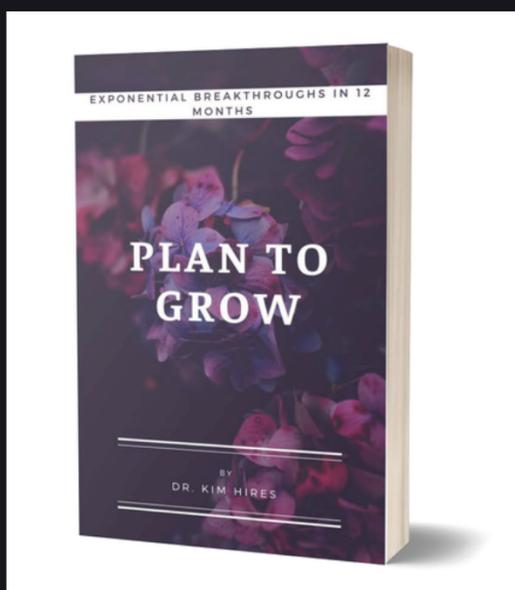

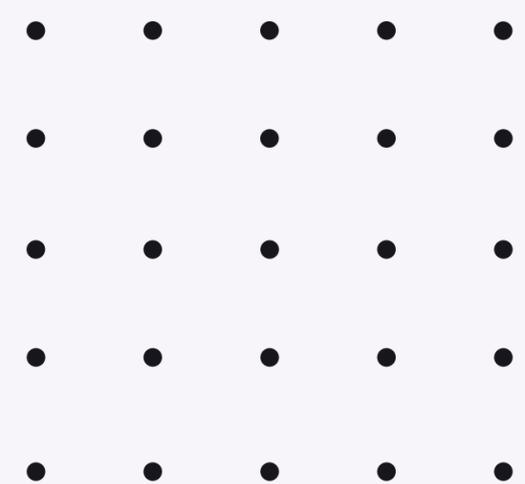

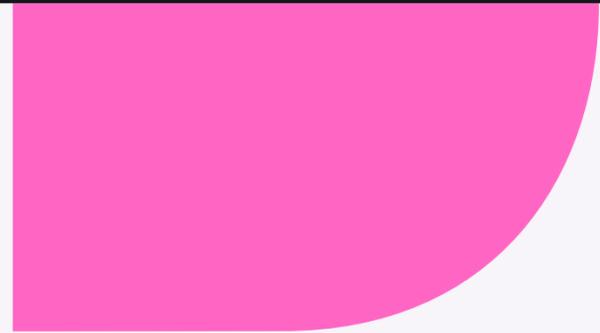

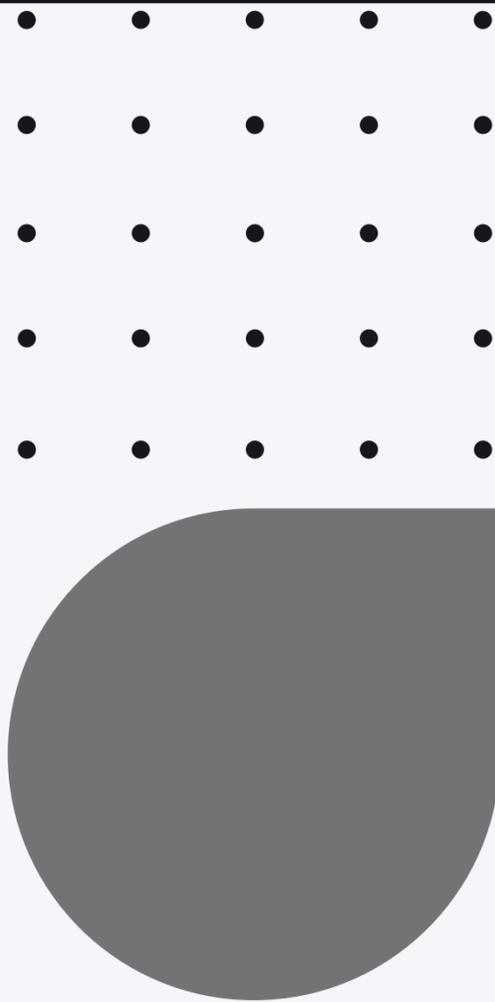

In a world filled with information, Dr. Kim brings wisdom in her live presentations. Experience the energy and transformation of a live presentation by Dr. Kim. She will reignite the leader within, help you get realigned with who you are created to be and be the catalyst for you to get to the next level of leadership.

Misaligned: Why Good Leaders Burnout

Over 50% of Leaders experience burnout, yet most organizations fail to notice. Worst, most Leaders fail to notice until it's too late. Hear Dr. Kim's story and know the 4 questions every leader needs to ask to conquer burnout.

Human-based Leadership

Global disruption in every industry has caused shifts in every facet of operation except leader development. In the age of evidence-based and AI, we are losing sight of our most important asset: being human. Reconnecting with our humanness is the leader success strategy for the 21st century leader.

Better & Different: Leadership Innovation Manifesto

Every success or failure is determined by our thoughts. Innovation initiatives and strategies will not even lift off the ground until you address 7 core beliefs. Learn the beliefs and how to use them.

Listen to the Canaries

Just as canaries warned coal miners, Millennials are ringing the alarm for more than ping-pong tables. Decipher their song and learn key engagement strategies for the generation that controls the future of every industry.

Honestly, your talk alone was worth the entire cost of registration!

Where were you when I started my career 20 years ago?! I could have avoided so much if someone said this to me years ago.
